EMPLOYEE

SUSTAINABILITY

CONNECTOR

“When we treat each other well, conserve resources, and take care of the world around us, we are making a difference. Little things we can do every day add up to a lot in contributing to a better world.”

**- Mike Kensler
Director, Office of Sustainability
Auburn University**

Meeting human needs
now and in the future,
in a fair, just, and
equitable way,
while protecting
and maintaining
healthy ecosystems
in perpetuity.

ENGAGE

Reuse & Recycle

Pitch in!

Use bins for paper, plastic, metal, cardboard, batteries, and toner.

Peers Network

Be a champion, receive direct support, and connect with campus changemakers.

Web Resources

Visit us for tips, topical info, events, and more.

Spirit of Sustainability Awards

Nominate a person or group from Auburn who is contributing to sustainability.

ADMINISTRATIVE UNITS

ACADEMIC SUSTAINABILITY PROGRAM

provides faculty training and support for sustainability research, and the minor in sustainability studies.

CAMPUS SAFETY & SECURITY

facilitates employee emergency and safety trainings, night security shuttles, weather alerts, and Clery Act reporting.

FACILITIES MANAGEMENT

addresses issues with heating and cooling, water leaks, lighting, energy management.

OFFICE OF SUSTAINABILITY

offers training, project assistance, guest speakers, a newsletter and resources for the campus community.

RISK MANAGEMENT & SAFETY

helps with chemical management, hazardous wastes, indoor air quality, and safety training.

SURPLUS PROPERTY

operates an on-campus warehouse for departments to buy and dispose of furniture, equipment, and electronics.

WASTE REDUCTION & RECYCLING

offers on-campus guidance and support for daily and special event waste reduction and recycling.

TRANSPORTATION RESOURCES

ELECTRICAL VEHICLE CHARGING STATIONS

allow vehicles with a valid AU parking permit to charge for free up to four hours before relocating to their assigned zone. Stations are located in the West 2 Parking Lot, the College of Veterinary Medicine, and the following Parking Decks: Stadium, South Quad, and South Donahue.

jAUnt

gives free golf cart rides within central campus for students, employees, and visitors with a disability or medical condition that makes it difficult to travel within central campus.

LEE-RUSSELL PUBLIC TRANSIT

provides dial-a-ride, curb-to-curb service to Auburn students, faculty, and staff to anywhere within 5 miles of the Auburn or Opelika city hall. Trips may be scheduled up to 2 weeks in advance, but must be scheduled at least 24 hours prior.

SECURITY SHUTTLE

offers a safe ride from any on-campus destination to any other on-campus destination 6 PM - 7 AM.

TIGER TRANSIT

offers bus service to destinations on and off campus. Over 15 lines operate 7 AM - 6 PM and provide off-campus dropoffs 6 PM - 10 PM (9 PM summer). Auburn employees may use the internal lines at no cost.

BIKING AT AUBURN

allows users to travel quickly to meetings across campus or to simply take a quick ride for some fresh air and exercise.

WELLNESS RESOURCES

AU EMPLOYEE PHARMACY

offers full pharmacy services exclusively to AU employees and their dependents, including the staffing of a 24-hour/7-day pharmacist hotline. Located in the Walker Building, they're within an easy walk from most of campus or you can take advantage of their free on-campus delivery.

AUBURN UNIVERSITY MEDICAL CLINIC

provides medical services to employees and students on a fee-for-service basis. They house Women's Health Services provided by Lee OB/GYN and the Miller Clinic, which offers chiropractic care, and a professional Massage Therapy center.

HEALTHY TIGERS

conducts screenings of primary health risk factors. Participating in this employee wellness program results in a \$25.00 per month credit on health insurance premiums.

JAMES E. MARTIN AQUATIC CENTER

features an Olympic-sized pool, instructional pool, diving well, and shower rooms, which are open daily for use by the public. Employees may purchase a daily pass or semester/year-long memberships.

PSYCHOLOGICAL SERVICES CENTER

performs therapy and assessment services for children, adolescents, adults, families, and couples in the Auburn-Opelika area. Graduate students in doctoral training for clinical psychology provide therapy under the supervision of licensed clinical psychologists.

RECREATION & WELLNESS CENTER

encourages employees and their partners to develop a healthy lifestyle through Auburn Outdoors, fitness and nutrition programs, aquatics, equipment rental, and other informal recreational opportunities in their state-of-the-art, environmentally friendly facility.

SPEECH & HEARING CLINIC

evaluates and treats clients of all ages, from infants to the elderly. The full-service outreach facility includes testing laboratories and individual and group therapy rooms.

TIGERFIT

offers fitness screenings at an affordable price to the greater Auburn community, while giving students valuable experience in applied exercise technology, exercise physiology, and adult fitness programming.

OUR COMMITMENT

“Auburn University is committed to integrating sustainability into all aspects of the University including: operations, instruction, research, and outreach activities. Auburn University considers sustainability a core value and strives for excellence in sustainability through continuous assessment and improvement ...”
