

SUSTAINABILITY CONNECTOR

AUBURN
SUSTAINABILITY

ENGAGE WITH US TODAY

PEERS NETWORK

Become a sustainability champion, receive direct support, and connect with campus change-makers.

REUSE and RECYCLE

Pitch in! Use bins for paper, plastic, metal, and cardboard. Locate special bins for batteries and toner.

SPIRIT OF SUSTAINABILITY AWARDS

Nominate individuals or groups who make a significant contribution to sustainability on or off campus.

ONLINE RESOURCES

Find info on professional development, purchasing, transportation, event planning, local resources, volunteering events, and more.

OFFICE OF SUSTAINABILITY offers training, project assistance, guest speaking, a monthly newsletter, and resources for the campus community.

ACADEMIC SUSTAINABILITY PROGRAM provides faculty training and support for sustainability research and the minor in sustainability studies.

FACILITIES MANAGEMENT addresses issues with heating/cooling, water leaks, lighting, and energy management. Simply submit a work order.

RISK MANAGEMENT and **SAFETY** helps with chemical management, hazardous wastes, indoor air quality, and safety trainings.

ASSET MANAGEMENT operates an on-campus warehouse for employees to buy and dispose of furniture, equipment, and electronics.

TRANSPORTATION services include EV Charging, Tiger Transit, By Request Service, University Shuttle, aub.ie/biking, jAUnt, AU Parking app, and Lee-Russel Public Transit.

WASTE REDUCTION and **RECYCLING** offers on-campus guidance and support for daily and special event waste reduction and recycling.

WELLBEING support comes from Healthy Tigers, Employee Pharmacy, Medical Clinic, the Recreation and Wellness Center, Psychological Services Center, the Speech and Hearing Clinic, and Veterans Resource Center.
